

Amerimulch Colorants

Season after season, year after year, you stake your reputation on the quality of the mulch you deliver. The look, the texture and of course the color.

At Amerimulch, we understand. Since 1991, we have been a partner to mulch producers across the country who continue to look to us for consistent quality, cost-effective production practices and innovation.

Amerimulch represents a new generation in mulch colorant technology. Our scientifically-designed formulations do more than color mulch; this collection of premium colorants is engineered to transform wood fiber with vibrant enduring colors.

Give your customers the reliable, long-lasting color they want while boosting your bottom line. Contact Amerimulch today!
